

DANCE & PERFORMING ARTS ACCIDENT SCHEME

“DANCESURANCE AUSTRALIA” is once again offering Insurance Cover for all students at our Dance Studio. In order to provide the safest environment in which students can pursue their dance studies, we require that all class participants at Industry Performing Arts take advantage of this excellent offer. For full coverage details please collect a detailed brochure from the Studio.

For the small sum of only \$10.00 per student, you can once again be completely covered for the full dance year - and in the event that something unforeseen does occur, you will then be taken care of.

The following form must be completed and submitted with your enrolment papers. A separate form must be completed for each enrolled student.
